 - a. **For shares held in electronic form:** to their Depository Participants ("DPs")
 - b. **For shares held in physical form:** to the Company/ RTA in prescribed Form ISR-1 and other forms pursuant to SEBI Master Circular No. SEBI/HO/MIRSD/SECFATF/P/CIR/2023/169 dated October 12, 2023. To mitigate unintended challenges on account of freezing of folios, SEBI vide its Circular No. SEBI/HO/MIRSD/POD-1/P/ CIR/2023/181 dated November 17, 2023, has done away with the provision regarding freezing of folios not having PAN, KYC, and Nomination details.
14. Pursuant to Section 124 and 125 of the Act read with Investor Education Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('the Rules'), dividends remaining unpaid or unclaimed for a period of seven consecutive years are required to be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, shares in respect of which dividend has not been claimed for seven consecutive years or more are also required to be transferred to the demat account of the IEPF Authority.

In terms of above provisions, such amount of unclaimed dividend and shares pertaining to financial year 2018-19 is due for transfer to the IEPF on October 22, 2026.

Members are requested to claim their unpaid/unclaimed dividend, if any, promptly in order to avoid transfer thereof to the IEPF. Details of unpaid/unclaimed dividend and shares liable to be transferred to IEPF are available on the website of the Company.

Members may note that shares and unclaimed dividends transferred to the IEPF can be claimed back from the IEPF Authority in accordance with the prescribed procedure. For details, Members may refer to IEPF Authority Website and/or Company's website: www.pnbfinanceandindustries.com

15. In terms of Regulation 40(1) of Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be effected only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or RTA, for assistance in this regard.

Members may further note that SEBI, vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, has mandated the listed companies to process request for issue of securities in dematerialized form only. Accordingly, Members are requested to make service requests[#] by submitting a duly filled and signed Form ISR-4, the format of which is available on the Company's website under the weblink [atwww.pnbfinanceandindustries.com](http://www.pnbfinanceandindustries.com).

Further, with effect from April 2, 2026, SEBI has dispensed with the requirement of issuance of a Letter of Confirmation ("LOC") by the Company/RTA while processing service requests[#]. Accordingly, securities will be credited directly to the shareholder's demat account upon submission of valid demat account details along with the latest Client Master List.

It may be noted that any service request can be processed only after the folio is KYC compliant.

[#]*Service requests viz. issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition.*

16. In terms of Section 72 of the Act, the Members can exercise their right to nominate any person in whom the securities held by such Member shall vest in the event of the death of such Member. Members who have not yet registered their nomination are requested to submit the required form (Form no. SH-13) to their DP in case shares are held in demat form and to RTA in case shares

are held in physical form. If a Member desires to opt-out or cancel the earlier nomination and record a fresh nomination, the Member may submit the same in form ISR-3 or form SH-13, as the case may be. The said forms can be downloaded from the Company's website www.pnbfinanceindustries.com.

17. Members are informed that, pursuant to SEBI Circular dated January 30, 2026, a special window for re-lodgement of transfer requests in respect of physical share certificates, originally lodged prior to April 1, 2019 and rejected/returned/not processed, due to deficiencies in documentation, process, or any other reason, is available from February 5, 2026 to February 4, 2027.

Eligible shareholders may re-lodge such requests with the Company/RTA within the aforesaid period. Securities transferred pursuant to such requests shall be issued only in dematerialised form and shall remain under lock-in for one year from the date of transfer. The detailed circular is available on the Company's website www.pnbfinanceindustries.com.

18. Members holding shares in physical form may note that, pursuant to SEBI Master Circular No. HO/38/13/(4)2026-MIRSD-POD-I/4298/2026 dated February 6, 2026 and applicable SEBI regulations, duplicate share certificates are issued only in dematerialized form. SEBI has also prescribed a simplified procedure for issuance of duplicate share certificates, wherein the documents required to be submitted by the shareholder vary depending upon the market value of the securities. The detailed circular is available on the Company's website www.pnbfinanceindutrsies.com.
19. The Board has appointed M/s. Balraj Sharma & Associates, Practicing Company Secretaries (Peer review certificate no.: 6262/2024) as the Scrutinizer to scrutinize the e-Voting during the AGM and remote e-Voting process in a fair and transparent manner.
20. SEBI vide its circular No. SEBI/HO/OIAE/OIAE_IAD-3/ P/CIR/2025/32 dated March 19, 2025 has introduced DigiLocker as a Digital Public Infrastructure to reduce unclaimed securities in the Indian Securities Market. DigiLocker is digital documents wallet of Government of India facilitating investors to securely store and access issued documents, demat holdings etc., along with a facility to appoint a nominee to their DigiLocker account. In the event of the investor's demise, such nominee(s) will be provided access to the digital information of the deceased investor to initiate the process of transmission of deceased investor's financial assets or to pass the information to surviving joint holder or to legal heirs.

Explanatory statement pursuant to Section 102(1) of the Act

Item No. 3

The Board of Directors, at its meeting held on May 26, 2026, appointed Ms. Nidhi Gupta (DIN: 11730308) as an Additional Director in the category of Non-Executive Independent Director of the Company, who shall hold office up to the date of the ensuing AGM of the Company in terms of Section 161 of the Act.

Based on the recommendation of the Nomination and Remuneration Committee, the Board has recommended the appointment of Ms. Gupta as an Independent Director of the Company, not liable to retire by rotation, for a term of 5 (five) consecutive years commencing from May 26, 2026 up to May 25, 2031 (both days inclusive), subject to the approval of the Members in the ensuing AGM. The Company has received a notice in writing under Section 160 of the Act proposing the candidature of Ms. Gupta for the office of Director of the Company.

Ms. Gupta has given her consent to act as an Independent Director of the Company along with a declaration that she meets the criteria of independence as provided under Section 149(6) of the Act, 2013 and the Listing Regulations. Further, the Board is also satisfied that Ms. Gupta possesses appropriate skills, experience, knowledge and integrity and meets the fit and proper criteria as prescribed under the applicable RBI Master Directions.

The Company has also received confirmation from Ms. Gupta that her name is duly included in the Databank of Independent Directors maintained by the Indian Institute of Corporate Affairs ("IICA"), in compliance with the provisions of Section 150 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014. She has also confirmed that she is exempt from the requirement of passing the online proficiency self-assessment test conducted by the IICA.

Brief profile and other requisite details of Ms. Gupta, pursuant to the provisions of SS-2 issued by the Institute of Company Secretaries of India and the Listing Regulations, are provided in **Annexure-1** forming part of this Notice.

Considering her rich experience, expertise and knowledge, the Board is of the opinion that the association of Ms. Gupta would be of immense benefit to the Company and accordingly recommends the **special resolution** set out at **item no. 3** of the accompanying Notice for approval of the

Members.

The draft letter of appointment setting out the terms and conditions of appointment of Ms. Gupta as an Independent Director shall be available for inspection by the Members at the Registered Office of the Company during business hours from July 08, 2026 to July 10, 2026.

Secretarial Audit Report
For the Financial Year ended 31st March, 2026
[Pursuant to Section 204(1) of the Companies Act, 2013 and
Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

The Members,**PNB Finance and Industries Limited**

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good Corporate Practices by **PNB Finance and Industries Limited**, a company registered under the Companies Act, 1913 having its Registered Office at 2nd Floor, Property No. 3/8, Asaf Ali Road, Darya Ganj, New Delhi -110002 (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our examination and verification of the Company’s secretarial books, papers, minute books, forms and returns filed and other registers and records as maintained by the Company under Companies Act, 2013 and Securities Laws as applicable to the Company and also the information(s) and explanation(s) provided to us by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026 has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter *except that two (2) e-Forms e-Form AOC-4 NBFC (Ind AS) and e-Form MGT-15 were filed with the concerned Registrar of Companies beyond the statutory time period as stipulated under the Companies Act, 2013 after payment of the requisite additional fees.*

We have examined the books, papers, forms and returns filed and other records maintained by Company for the financial year ended on March 31, 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992(‘SEBI Act’):-
 - a. Securities and Exchange Board of India (LODR) Regulations, 2015;
 - b. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993
 - c. Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - d. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (v) Other laws applicable to the Company:-
 - a. Master Direction- Reserve Bank of India (Non -Banking Financial Company- Scale Based Regulation) Directions, 2023 (withdrawn with effect from November 28, 2025)
 - b. Reserve Bank of India (Non-Banking Financial Companies – Registration, Exemptions and Framework for Scale Based Regulation) Directions, 2025 (applicable from November 28, 2025)
 - b. All other compliances related to NBFC applicable to the Company.

We have also examined compliance with the applicable clause of the following;

- I. The Secretarial Standards issued by the Institute of Company Secretaries of India.
- II. The Listing Agreements entered into by the Company with The Calcutta Stock Exchange
- III. SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

As per the information(s) furnished and explanation(s) as provided by the Company, its officers, ~~agents~~ and authorized representatives, there were no other sector specific laws applicable to the Company or on its type of Industry except as mentioned above for the financial year ended March 31, 2026.

We further report that, we have checked the Compliance Management System of the Company on the basis of Compliance Certificates issued by the Company Secretary of the Company and the Chief Financial Officer of the Company so as to obtain reasonable assurance about the adequacy of systems in place to ensure compliance of applicable Laws, Rules, Regulations and Guidelines and its verification was done on test check basis. However, I have not made a detailed examination of the said records. I believe that the audit evidence which have been obtained is sufficient and appropriate to provide a reasonable basis for my audit. In my opinion and to the best of my information and according to explanations given to me, I believe that there are adequate systems and processes in the Company commensurate with the size and operations of the Company and the nature of its business to monitor and ensure compliance of laws specifically applicable to the Company.

We, further report that the Board of Directors of the Company is duly constituted with proper balance of ~~Executive Directors~~, Non-Executive Directors and Independent Directors during the period under review.

We further report that the compliance by the Company of applicable financial laws like Direct and Indirect Tax Laws has not been reviewed; since the same have been reviewed by Statutory Auditors and other designated professionals and we have relied upon the same.

Adequate notices were given to all the Directors to schedule the Board Meetings and its Committees Meetings. Although Notice along with Agenda and detailed notes on agenda were sent atleast seven days in advance but Four (4) number of board meetings were held at a shorter notice after obtaining consent of all the Directors as system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. The Board decisions were carried out with unanimous consent and therefore, no dissenting views were required to be captured and recorded as part of the minutes.

The Securities and Exchange Board of India (“SEBI”) issued Adjudication Orders on 28th March 2023 against the Company in violation of various provisions of SEBI Act, 1992 and regulations issued thereunder and levied the monetary penalty amounting ₹1200 lakhs in the case of the Company as a listed entity and ₹ 20 lakh as a Promoter and a Shareholder of Camac Commercial Company Limited besides other restrictions.

Subsequently, both the Adjudication Orders were challenged by the Company before the Securities Appellate Tribunal (SAT) and vide its Orders passed on 26th April 2023, SAT had stayed the effect and operation of the said SEBI Orders subject to payment of 25% of the levied penalty(ies) by the Company. The Company has made payment of the requisite amount (25% i.e. Rs 305 Lakh) to SEBI as per the said SAT Orders. The matter is sub-judice till the date of the signing of the Secretarial Audit Report.

In recent times, Global Equity markets have shown mixed trends, with equities remaining buoyant driven by AI optimism especially in US markets, coupled with volatility seen in other parts of the world including India. The bond yields have also hardened on fiscal sustainability concerns and inflation worries.

The outbreak of the conflict in West Asia has led to severe disruption of global supply chains. This poses an unprecedented challenge for the global economy higher prices and lower global growth. In this environment, Indian monetary policy too faces a difficult trade-off anchoring inflation expectations through policy tightening while minimising its impact on growth forgone. As a result of the turmoil in global financial markets, the US dollar has rallied, buoyed by safe-haven demand that has exerted pressure on currencies of major economies. The Indian Rupee has in turn faced severe depreciation affecting the Forex Reserves of the country. This has led to measures being taken by Indian Government to reduce the forex outflows and encourage investments in India.

Amidst ongoing geopolitical tensions, trade frictions, and volatile global financial conditions, India's economic activity continues to be resilient. Domestic demand remains strong, supported by steady private consumption, sustained investment, and sound macroeconomic fundamentals, though the ongoing conflict in West Asia poses downside risks. Domestic economic activity remains resilient supported by private consumption and fixed investment. High-

capacity utilisation, robust bank credit growth, conducive financial conditions, and the governments continued emphasis on infrastructure are expected to stimulate investment activity. Moreover, several measures announced in the Union Budget 2026-27 are also growth supportive. However, spillovers from the ongoing West Asia conflict along with volatility in international financial markets and trade dynamics, pose some downside risks to the growth outlook.

II Opportunities and threats

The RBI has been continually strengthening the supervisory framework for NBFCs in order to ensure sound and healthy functioning and avoid excessive risk taking. It has issued several new guidelines in the recent past.

As usual, the uncertainties and volatility in the financial market are a continuing threat to the organizational performance. However, continued professional foresightedness and focused analysis of the market have overcome the challenges posed effectively.

III Financial condition

Refer to the Standalone and Consolidated financial statements in this Annual Report for detailed schedules and notes.

- No movement in equity during the year
- 20% of the net profit is transferred to the Special Reserve Account created pursuant to Section 45 IC of RBI.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

PNB FINANCE AND INDUSTRIES LIMITED

Report on the Audit of the Financial Statements for the year ended March 31, 2026

Opinion

We have audited the accompanying standalone Financial Statements of **PNB Finance And Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of changes in Equity and the Statement of Cash Flow for the year then ended and notes to financial statements, including a summary of the material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2026, the Profit (financial performance), other comprehensive income, change in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical

responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Financial Statements.

Emphasis of Matter

We draw attention to the following matters in the Notes to the Standalone Ind AS Financial Statements:

Refer to Note No. 28 of the Accompanying Standalone Financial Statements, the Securities and Exchange Board of India ("SEBI") issued Adjudication Orders on March 28, 2023 against the Company in violation of various provisions of SEBI Act, 1992 and regulations issued thereunder and levied the monetary penalty amounting ₹ 1200 lakhs in the case of the Company as a listed entity and ₹ 20 lakh as a Promoter and a Shareholder of Camac Commercial Company Limited besides other restrictions.

Subsequently, both the Adjudication Orders were challenged by the Company before the Securities Appellate Tribunal (SAT) and vide its Orders passed on April 26, 2023, SAT had stayed the effect and operation of the said SEBI Orders subject to payment of 25% of the levied penalty(ies) by the Company. The company has made payment of the requisite amount [25% i.e. ₹ 305 Lakh] to SEBI as per the said SAT Orders. The matter is sub-judice as on date.

Our Opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the following key audit matters to be communicated in our report:

S. No.	Key Audit Matters	How our audit addressed the key audit matter
1.	Contingent Liabilities The Company is subject to legal, regulatory, arbitration and tax cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities. The assessment of whether a liability is recognised as a provision or disclosed as a contingent liability in the standalone financial statements is inherently subjective and requires significant management judgement in determination of the cash outflows from the business, interpretation of applicable laws and regulations, and careful examination of pending assessments at various levels of regulatory authorities. We identified this as a key audit matter because the estimates on which these amounts are based involve a significant degree of management judgement in interpreting the cases and it may be subject to management bias. (Refer Note No. 1.3 and Item No. 1.3.9 of the Material Accounting Policy to the standalone financial statements)	We have adopted the following audit procedures - Understood and tested the design and operating effectiveness of controls as established by the management for obtaining all relevant information for pending litigation cases - Discussed with the management any material developments and latest status of legal matters at the corporate office. - Read various correspondences and related documents pertaining to litigation cases and performed substantive procedures on calculations supporting the disclosure of contingent liabilities assessed the adequacy and completeness of disclosures. Based on the above procedure performed, the estimations and disclosure of contingent liabilities are considered to be adequate and reasonable

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditors' report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our responsibility is to express an opinion on the standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these audit matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter

should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent as applicable.
2. As required by Section 143(3) of the Act, we report that:
 - A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - C. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
 - D. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended;
 - E. On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - F. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - G. With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its Financial Statements;
 - ii) The Company did not have any long-term contracts and had no derivative contract outstanding as at 31st March, 2026.
 - iii) There has been no delay in transferring amount required to be transferred to the Investor Education and Protection fund.
 - iv) (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by

the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v) The Company has not declared any dividend during the year.
- vi) Based on our examination which included test checks, the company has used accounting

software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and that has operated throughout the year for all relevant transactions recorded in the software during the year. Further, for the periods where audit trail (edit log) facility was enabled and operated, we did not come across any instance of the audit trail feature being tampered with.

Further, the audit trail to the extent maintained in the prior year, has been preserved by the Company as per the statutory requirements for record retention.

- (b) The Company has not been sanctioned any working capital limits in excess of ₹ 5 crore, in aggregate, during the year, from banks or financial institutions on the basis of security of current assets. Hence,

paragraph 3 (ii) (b) of the Order is not applicable to Company.

- (c) The Company has not provided any advances in the nature of loans or stood guarantee, or provided security to any other entity during the year. Hence, paragraph 3 (ii) (c) of the Order is not applicable to Company.

iii) The Company has neither given any loans, guarantee and security covered under Section 185 and 186 of the Act during the year under audit. However, Investments made by the Company during the year are in compliance with the provisions of Section 186 of the Act.

v) The Company has not accepted any deposits or amounts which are deemed to be deposits during the year and hence paragraph 3 (v) of the Order is not applicable to the Company.

vi) The Central Government has not prescribed the maintenance of cost records under Sub Section (1) of Section 148 of the Companies Act, 2013 for any of the products/services of the Company.

vii) (a) According to the records examined by us, the Company is generally regular in depositing with appropriate authorities, the undisputed statutory dues including Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, GST, Customs Duty, Excise Duty, VAT and Cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed arrears of statutory dues were outstanding as on the last date of the financial year for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise, GST, value added tax, cess and other statutory dues which have not been deposited on account of disputes.

viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix) (a) Based on our audit procedures and according to the information given by the management, the company has not taken any loans or borrowings from any financial institution, bank, government,

or any other entity. Hence paragraph 3 (ix)(a) of the Order is not applicable to the Company.

- (b) The Company has not been declared willful defaulter by any bank or financial institution or other lender.
- (c) The company has not obtained any term loans.
- (d) Based on our audit procedures and according to the information given by the management, the company has not raised any funds on short-term basis. Hence paragraph 3 (ix)(d) of the Order is not applicable to the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Hence clause 3(ix)(f) of the Order is not applicable.
- x) (a) The Company has not raised any money by way of any initial public offer or further public offer (including debt instrument) during the year. Hence clause 3(x)(a) of the Order is not applicable.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally convertible). Hence clause 3(x)(b) of the Order is not applicable.
- xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) The company has not received any whistle blower complaints during the year.
- xii) The Company is not a Nidhi Company. Hence clause 3 (xii) of the Order is not applicable to the Company.
- xiii) As explained to us and as per the records of the company, in our opinion the transactions with the related parties are in Compliance with Section 177 and Section 188

of the Companies Act, 2013 and the details have been disclosed in the financial statements as required by the applicable accounting standard.

xiv) In respect of Internal Audit :-

- (a) In our opinion and based on our examination, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- xv) During the year, the Company has not entered into any non-cash transaction with Directors or person connected with him. Hence, clause 3 (xv) of the Order is not applicable to the Company.
- xvi) (a) The Company is duly registered under section 45-1A of the Reserve Bank of India Act, 1934.
- (b) The Company has conducted non-banking financial activities being Investment Activities during the financial year and accordingly, the Company is duly registered under section 45-1A of the Reserve Bank of India Act, 1934. It has not carried out any Housing Finance activities during the year.
- (c) In our opinion, the company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India. Hence, clause 3(xvi)(c) of the Order is not applicable.
- (d) As per information and explanations given to us, there is no Core Investment Company in the Group. Hence clause 3(xvi)(d) of the Order is not applicable.
- xvii) The Company has not incurred cash losses during the financial year or in the immediately preceding financial year.
- xviii) There has no resignation of the statutory auditors of the Company during the year, therefore clause 3(xviii) of the Order is not applicable.
- xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the

assumptions, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.

xx) In respect of Corporate Social Responsibility (CSR)

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF PNB FINANCE AND INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **PNB Finance and Industries Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility

of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial Controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India"

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026

Corporate Overview

PNB Finance and Industries Limited ('the Company') is a public limited company domiciled and incorporated in India under the provisions of Indian Companies Act. The shares of the Company are listed with The Calcutta Stock Exchange Ltd.

The Company is registered with the RBI as a Non-Banking Financial Institution (non-deposit accepting/non-deposit taking).

Note -1: Basis of preparation of Financial Statements, Accounting Estimates, Judgements, Assumptions and Accounting Policies

1.1: Basis of preparation of Financial Statements

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and disclosures are made in accordance with the requirement of Division III of Schedule III of the and other relevant provisions of the Act and RBI guidelines/ regulation as an NBFC Company to the extent applicable.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and financial liabilities that are measured and carried at Fair Value (refer accounting policy regarding Financial Instruments).

The financial statements are approved by the Board of Directors on May 26, 2026.

These financial statements are presented in Indian Rupees (INR), which is the company's functional currency.

1.2: Significant accounting judgments, estimates and assumptions

The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, financial assets, non-financial assets, financial and non-financial liabilities and disclosure of the contingent liabilities at the end of each reporting period. Actual may differ from these estimates.

1.3: Summary of material accounting policies

This note provides a list of the material accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

1.3.1: Revenue recognition

Income is recognised as per accrual basis and as per the principles provided in the relevant applicable Indian Accounting standards on the company.

- **Interest income**

Interest income from debt instruments is recognised using effective interest rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability.

Interest income on Bank Deposits and other non -financial deposits is recognized on accrual basis considering, the amount invested/ outstanding / and the rate of interest applicable.

Interest on tax refund is accounted for on receipt basis.

- **Dividend income**

Dividends are recognised in the statement of profit and loss only when the right to receive the payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount can be measured reliably.

Dividend income from Equity Instruments measured at fair value through Other Comprehensive income has been recognised in the statement of profit and loss.

1.3.2: Property, plant and equipment

- **Recognition and measurement**

Property, Plant & Equipment (PPE) is stated at cost net of accumulated depreciation and accumulated impairment losses, if any. The Cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable expenses for bringing the assets to their present location and conditions for its intended use.

When parts of an item of PPE have different useful lives, they are accounted for as separate items (major components) of PPE. All other expenses on an existing PPE including day to day repair and maintenance expenditure and cost of replacing parts (other than major components), are charged to the statement of profit and loss for the period during which such expenses are incurred.

- **Disposal**

An item of PPE is derecognised upon disposal or when no future benefits are expected from its use or disposal. Gains and losses on disposal of an item of PPE are determined by comparing the proceeds from disposal with the carrying amount of PPE and are recognised within other income/ expenses in the statement of profit and loss.

- **Depreciation**

Depreciation on Property, Plant & Equipment (PPE) is provided on written down value as per rates arrived at based on useful life and manner prescribed under Schedule II of the Act.

In case Addition /Deletion of PPE during the year, depreciation on those PPEs has been provided for on a pro rata basis from the date of such addition or, as the case may be, up to the date of deletion of such asset.

1.3.3: Impairment of property, plant and equipment and other non financial assets

The company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal or its value in use.

Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

An impairment loss, if any, is charged to Statement of Profit and Loss in the year in which the assets is identified as impaired. The impaired loss recognized in prior accounting periods is reversed / adjusted if there has been a change in the estimate of the recoverable amount.

1.3.4: Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

1.3.5: Fair value measurement

The Company measure financial instruments such as Investments in Debt Mutual Funds and in Equity shares (other than investment in Subsidiaries/Associates) at fair value at each reporting (Balance sheet) date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset considers a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

1.3.6: Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

a. Initial Recognition and Measurement

Financial assets are initially recognised on the trade date i.e. the date that the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value. Financial Assets which are not at fair value through Profit and loss, are at fair value plus transaction costs that are directly attributable to the acquisition of such Financial Assets. Transaction costs of those financial assets carried at “fair value through profit or Loss” are expensed in Statement of profit and loss.

Financial Assets are classified at the initial recognition as Financial Assets measured at Amortised Costs or at Fair value.

b. Subsequent Measurement

For subsequent measurement, financial assets are broadly classified in two broad categories:

- Financial Assets carried at Amortised Cost,
- Financial Assets at Fair Value [Either through Other Comprehensive income (FVTOCI) Or through Profit or Loss (FVTPL)]

For assets classified as “at Fair value”, gains and losses are either recognised in Statement of profit and loss or recognised in Other Comprehensive Income, as elected. For Assets classified as “at Amortised Cost”, this will depend on the business model and contractual terms of the cash flows.

i) Financial Assets carried at Amortised Cost

A Financial Asset is measured at Amortised Cost if it meets the following two conditions:

- (a) Business Model Test: The objective of the company’s business model is to hold the financial assets to collect contractual cash flows.
- (b) Cash flow characteristic Test: The contractual terms of the Financial Asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets i.e. Debentures, Bonds and Corporate Deposits etc. meeting the above conditions are measured at Amortised Cost and Interest income from such financial assets has been recognised using the effective Interest rate.

ii) Financial Assets at fair value through Other Comprehensive Income (FVTOCI)

A Financial Asset is subsequently measured at fair value through Other Comprehensive Income if:

- (i) The objective of the business model is achieved by both collecting contractual cash flows and selling Financial Assets and
- (ii) The contractual terms of the Financial Asset represent solely payments of principal and interest on the principal amount outstanding.

The Dividend Income on Financial Assets at FVTOCI is recognised under Profit or Loss. The company’s Investments in Financial Assets i.e. Debt Instruments being Debt based Mutual Funds are measured at fair value through Other Comprehensive Income (OCI) and Fair value changes on these financial assets are recognised in OCI.

On derecognition/ sale of Investments measured at FVTOCI, the Fair value changes (on other than Equity Instruments measured at FVTOCI) in OCI, are subsequently reclassified to the statement of profit and loss.

iii) **Financial Assets at fair value through Profit or Loss (FVTPL)**

A Financial Asset which is not classified in any of the above categories are measured at fair value through Profit or Loss.

Equity instruments which are held for trading are required to measure at FVTPL. Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of Profit and Loss.

Equity Instruments at Fair value through Other Comprehensive Income

For Equity Instruments, the company may make an irrevocable election to present subsequent changes in the fair value through Other Comprehensive Income. The Company makes such election on an instrument-by-instrument basis.

For investments in Equity Shares (not held for trading and other than Investment in Subsidiary / Associates), the Company has made an irrevocable election to account for these at Fair value through other comprehensive income (FVTOCI).

If the company decides to classify an Equity Instruments as at FVTOCI, then all fair value changes on such instruments excluding dividend income, are recognised in the Other Comprehensive income (OCI). Dividend on equity instrument measured at FVTOCI is recognised at Statement of Profit and Loss.

Fair Value changes on these equity instruments never recycled (not subsequently transferred/reclassified) from OCI to Profit or Loss, however on de-recognition / sale of the equity instruments measured at FVTOCI, cumulative Gain or Losses are transferred/ reclassified within Equity i.e. Balance of Cumulative gain or Losses transferred to Retained earnings.

c. **Investments in Subsidiary**

The Company's Investment in Subsidiaries are recognised at Cost as per Ind AS 27. Cost represents amount paid for acquisition of the said investments.

The company assesses at the end of each reporting period, if there are any indication that the said investments may be impaired. If impairment exists, the company estimates the recoverable value/ amount of the investments and provides for impairment, if any i.e. the deficit in the recoverable amount / value over cost. The impairment loss, if any, is recognised in the statement of profit and loss.

On disposal of investments in Subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

d. **Impairment of financial assets**

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at FVTPL.

The Company assesses on a forward-looking basis the expected credit losses associated with its financial assets considered for ECL. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the needs to provide for the same in the statement of Profit and Loss.

The company assess impairment based on Expected credit losses (ECL) model for the following:

- (1) Financial Assets measured at Amortised Cost,
- (2) Financial Assets measured at FVTOCI,
- (3) Other Financial Assets like Trade/ Other receivables.

The Company follows "Simplified Approach" for recognition of Impairment loss allowance on trade receivables. For application of "Simplified Approach" the company does not require to track changes in credit risk instead the company uses the provision matrix to determine loss allowance on Trade / Other receivables.

ECL is the difference between all contractual cash flows that are due to the company in accordance with contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original EIR.

The Company's investment in Debt Instruments (Fixed income securities being Bonds, Corporate Deposits, Debentures etc.), the risk parameters like tenor, the probability of default, tracking of ratings etc. for each of these instruments/ Issuer ratings etc. is considered in estimating probable credit losses over balance tenor of these instruments.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as expense / income in the Statement of Profit and Loss.

However, ECL impairment loss allowance (or reversal) if any, on Equity Shares measured at Fair value through OCI (FVTOCI) has been recognized through other comprehensive income.

ECL is presented as an allowance i.e. as an integral part of the measurement of those assets in the Balance sheet. ECL reduces the net carrying amount, unless the financial asset meets write off criteria, the company does not reduce impairment allowance from the Gross carrying amount.

Financial liabilities

a. Initial recognition and measurement

All Financial Liabilities are recognized at fair value and in case of borrowings and Payables, net of directly attributable transaction costs.

The company's financial liabilities include Trade/ other payables having short maturities.

b. Subsequent measurement

Financial Liabilities comprises Interest bearing Borrowings (from Banks/others) if any, are carried at amortized cost using the effective interest method.

For trade and other financial liabilities maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition of Financial Assets and Liabilities

Financial Assets

A Financial asset is derecognised by the Company only when:

- (i) The contractual rights to the cash flows from the Financial Asset expired OR
- (ii) The Company has transferred the right to receive cash flow from financial assets and where the entity has transferred the assets, the company evaluates whether it has transferred substantially all risk and rewards of ownership of such financial assets. OR
- (iii) In any other case, transfer qualifies for other de-recognition criteria under Ind- AS 109.

Financial Liabilities

A Financial liability (or a part thereof) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expired.

Reclassification of Financial Assets and Liabilities

The company does not reclassify its financial assets subsequent to initial measurement, apart from exceptional circumstances as permitted. Financial Liabilities are not reclassified.

Off setting

Financial assets and liabilities are off set and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events. It must be enforceable in the normal course of business and also in the event of default, insolvency or bankruptcy of the Company or the counterparty.

1.3.7: Employee benefits

- **Short-term employee benefits**

Employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and are recognised in the period in which the employee renders the related service.

- **Post-employment benefits**

Defined contribution plans

Employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both employees and employer make monthly contributions to the plan at a pre-determined rate of employee's basic salary. These contributions are made to a Central Government's employees provident

organisation account (EPFO) Contributions by Company to Provident Fund are expensed in the Statement of Profit and Loss, when the contributions are due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Defined benefit plans

The employees' gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the projected unit credit method.

The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on government securities as at the reporting date, having maturity periods approximating to the terms of related obligations.

Remeasurements, comprising of actuarial gains and losses, are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability. The company recognises gains/ losses on settlement of a defined plan when the settlement occurs.

Other long-term employee benefits (Compensated leaves)

The employees can carry-forward a portion of the unutilized accrued leave and utilize it in future service periods or receive cash compensation on resignation/termination of employment.

Accumulated Leaves, which is expected to be utilised within the next 12 months, is treated as Short term employee benefit. Since a substantial part of the compensated leaves do not fall due wholly within 12 months after the end of the period in which the employees render the related service and are also not expected to be utilized wholly within 12 months after the end of such period, the benefit of such leaves is classified as a long-term employee benefit.

The Company records an obligation for such compensated absences in the period in which the employee renders the services that increase this entitlement. The obligation is measured on the basis of independent actuarial valuation using the projected unit credit method at year end.

Remeasurements, comprising of actuarial gains and losses, are recognised immediately in the Statement of profit and loss.

1.3.8: Income tax

Income tax expense comprises Current Tax, Deferred tax and Earlier Year Tax, if any.

Current and deferred tax is recognised in profit and loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the current tax / deferred tax is also recognised in other comprehensive income or directly in equity, respectively.

- **Current tax**

Current tax Expenses or credit for the period is the tax payable on the current period's taxable income based on the tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. Current tax assets and liabilities are offset only if there is a legally enforceable right to set it off the recognised amounts and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

- **Deferred tax**

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses/tax credits only if it is probable that future taxable amounts will be available to utilise those temporary differences/credits and losses.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

The carrying amount of Deferred Tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax assets to be utilised. Unrecognised deferred Tax Assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be recovered.

1.3.9: Provisions and contingent Liabilities

The company creates a provision when there is present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

Provisions are measured at the present value of management's best estimates of the expenditure required to settle the present obligation at the end of the reporting period.

Contingent liability is not recognised but disclosed in the case of:

- (i) A present obligation that arising out of past events, when it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation,
- (ii) A present obligation that arising out of past events, when no reliable estimate of the amount is possible,
- (iii) A possible obligation arising from past events unless the probability of outflow of resources is remote.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

1.3.10: Earnings per share (EPS)

Basic earnings per share is calculated by dividing the net profit/loss for the year attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the financial year.

The weighted average number of equity shares outstanding during the year/period and all periods presented is adjusted for events, such as bonus equity shares, other than the conversion of potential equity shares that have changed the no. of equity shares outstanding without a corresponding change in resources.

1.4 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

For the year ended March 31, 2026, MCA has notified amendments to existing Indian Accounting standards. effective from April 1, 2025, and some provisions specifically impacting to financial year 2026–27 onward.

- (a) Ind AS 1: Presentation of Financial Statements: This amendment relating to Liability classification (current vs non-current) which is now strictly based on rights available to defer settlement at the reporting date. New disclosures required related to Non -current Loan liability subject to future covenants.
- (b) Ind AS 7–Statement of Cash Flows and Ind AS 107: Financial Instruments Disclosures- This amendment relating to new disclosure requirements relating to supplier finance arrangements to enhance transparency about their impact on an entity's liabilities, cash flows and liquidity risk exposure.
- (c) Ind AS 12 – Income Taxes - This amendment relating to specific guidance in relation to the global minimum tax framework developed under the OECD's Pillar Two model rules.
- (d) Ind AS 29- The Effects of Changes in Foreign Exchange Rates- This amendment related to Lack of exchangeability and clarifies how to determine when a currency is not exchangeable and how to estimate spot rates in such cases—with enhanced disclosure requirements.

The company has reviewed the new pronouncements and based on its evaluation it has determined that these are not have any impact on the financial statements of the company.

31. FAIR VALUE MEASUREMENTS

The following methods and assumptions are used to estimate the fair value :

- The fair value of quoted equity shares is derived from quoted market prices in active markets.
- The fair value of unquoted equity shares is derived as per level 3 techniques, in case observable market data is not available.
- The fair value of mutual funds is derived from the available declared /quoted NAV of units.
- Assets held for collection of contractual cash flow where cash flows represent solely payment of principle and interest like bonds/ debentures /corporate deposit are measured at amortised cost. interest income from these financial assets is calculated using the effective interest rate method.

The management has assessed that cash and cash equivalents, other receivables (financial assets) and Other payables are approximate at their carrying amounts largely due to the short term maturities of these instruments. The carrying amounts are a reasonable approximate to fair value.

Fair value estimation

For financial instruments measured at fair value in the balance sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

For Financial assets which are carried at fair value, the classification of fair value calculations by category is summarised below:

(₹ in lakh)

32. CAPITAL MANAGEMENT

Objective, policies and processes of capital management

The Company is cash surplus and capital structure of the Company consists of equity capital only i.e. paid up equity share capital and retained earnings and other accumulated reserves disclosed in the statement of changes in equity. The Company does not have any borrowings.

Investment objective while managing fund of the Company is to provide safety and to generate steady return from low risk investment avenues. The surplus fund of the Company is being invested in Income generating debt instruments i.e. bonds, corporate deposits & debt /equity mutual funds and in equity shares.

The Company's objectives when managing capital are to :

- (i) maximize the shareholder value with low risk, and
- (ii) safeguard their ability to continue as a going concern, so that they can continue to provide returns and growth to shareholders and benefits for other stakeholders.

No changes are made in the objectives, policies and process of capital management during the reported years.

33. FINANCIAL RISK MANAGEMENT

The Company's financial assets are investment in debt securities (bonds/debentures, mutual funds & Other funds(AIF) etc.) cash and cash equivalents, bank deposits other than cash and cash equivalents and other receivables & financial liabilities are Other payables and other financial liabilities.

The Company's activities expose to financial risk i.e. liquidity risk, market risk, credit risk etc. The Board of Directors provide guiding principles for overall risk management, as well as principle for investment of available funds including review of such policies for managing each of applicable type of financial risks, which are summarised as below :

(a) Liquidity risk

The Company's principal source of liquidity are "cash and cash equivalents" and cash in flow that are generated from income from investments. Liquidity risk is defined as a risk that the company will not be able to settle or meet its obligations on time.

Liquidity risk management implies maintenance of sufficient cash to meet the obligations as and when due. The Company manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. The Company has invested its surplus fund also in fixed income securities /instruments of similar profile thereby ensuring availability of liquidity as and when required. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirements of the Company and accordingly, no liquidity risk is perceived.

The following is the contractual maturities of the financial liabilities:

(₹ in lakh)

Particulars	As at March 31, 2026	As at March 31, 2025
<u>Non-derivative liabilities</u>		
Within 12 month	3.08	15.90
More than 12 months	-	-
Total Carrying amount at Amorisred Cost	3.08	15.90

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk generally comprises three types of risk: interest rate risk, currency risk and price risk.

(i) Foreign currency risk

The Company has neither payables & receivables in foreign currency, not holding foreign assets and also not entered into transactions in the foreign currency during the year under report, therefore the Company activities are not exposed to foreign exchange risk.

(ii) Interest rate risk

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The company is not exposed to Interest rate risk, as the company has no borrowing at the reporting date. The company's investment in Debt securities (Bonds, Debentures, Deposits etc.) are not exposed to interest rate risk.

(iii) Price Risk

The Company is exposed to price risk arising mainly from investment measured at fair value through OCI (FVTOCI) being equity shares (quoted), mutual funds (debt & equity) and Other funds(AIF). The Company's exposure to debt based mutual funds falls in very low risk category due to investments are in high rated schemes. To optimise price risk, policy of diversification has been followed in case company's debt based MF portfolio. As regards the Company's investment in unquoted equity shares, which are long term in nature and fair valuation of these Investments are largely depend on performance of these company and hence the price risk emanating from such investment is minimal.

(c) Credit risk

In case of the Company's investment portfolio, credit risk may arise from bank balances (including fixed deposits) and investment in debt securities like bonds, debentures, corporate deposits and debt based mutual funds & other funds(AIF).

To manage credit risk on these financial assets, the Company has an investment policy which allows the Company to invest only in high rated schemes/ papers/ bonds /NCD /corporate deposits etc. considering the safety of investment first along with lower risk and reasonable returns. The Company tracks credit worthiness of counterparty and closely reviews the rating of investments and takes immediate suitable remedial actions as far as possible.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF

PNB FINANCE AND INDUSTRIES LIMITED

Report on the Audit of Consolidated Financial Statements for the year ended March 31, 2026

Opinion

We have audited the Consolidated Financial Statements of **PNB Finance And Industries Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group') which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income) and the Statement (of Cash Flows for the year then ended and notes to financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2026, and its Profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements

and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matter

We draw attention to the following matters in the Notes to the Consolidated Ind AS Financial Statements:

Refer to Note No. 29 of the Accompanying Consolidated Financial Statements, the Securities and Exchange Board of India ("SEBI") issued Adjudication Orders on March 28, 2023 against the Holding Company in violation of various provisions of SEBI Act, 1992 and regulations issued thereunder and levied the monetary penalty amounting ₹ 1200 lakhs in the case of the Holding Company as a listed entity and ₹ 20 lakh as a Promoter and a Shareholder of Camac Commercial Company Limited besides other restrictions.

Subsequently, both the Adjudication Orders were challenged by the Holding Company before the Securities Appellate Tribunal (SAT) and vide its Orders passed on 26th April 2023, SAT had stayed the effect and operation of the said SEBI Orders subject to payment of 25% of the levied penalty(ies) by the Holding Company. The Holding Company has made payment of the requisite amount [25% i.e. Rs 305 Lakh] to SEBI as per the said SAT Orders. The matter is sub-judice as on date.

Our Opinion is not modified in respect of the above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the following key audit matters to be communicated in our report:

S. No.	Key Audit Matters	How our audit addressed the key audit matter
1.	Contingent Liabilities The Company is subject to legal, regulatory, arbitration and tax cases for which final outcome cannot be easily predicted and which could potentially result in significant liabilities. The assessment of whether a liability is recognised as a provision or disclosed as a contingent liability in the standalone financial statements is inherently subjective and requires significant management judgement in determination of the cash outflows from the business, interpretation of applicable laws and regulations, and careful examination of pending assessments at various levels of regulatory authorities. We identified this as a key audit matter because the estimates on which these amounts are based involve a significant degree of management judgement in interpreting the cases and it may be subject to management bias. (Refer Note No. 1.3 and Item No. 1.3.9 of the Material Accounting Policy to the standalone financial statements)	We have adopted the following audit procedures - Understood and tested the design and operating effectiveness of controls as established by the management for obtaining all relevant information for pending litigation cases - Discussed with the management any material developments and latest status of legal matters at the corporate office. - Read various correspondences and related documents pertaining to litigation cases and performed substantive procedures on calculations supporting the disclosure of contingent liabilities Assessed the adequacy and completeness of disclosures. Based on the above procedure performed, the estimations and disclosure of contingent liabilities are considered to be adequate and reasonable

Other Information

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for

the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated Financial Statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern basis of accounting unless

management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our responsibility is to express an opinion on the standalone financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatement in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We

describe these audit matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, in respect of clause 3(xxii), we report that there have been no qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements.

As required by Section 143(3) of the Act, we report that:

- A. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the consolidated financial statements;
- B. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- C. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Consolidated Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- D. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended;
- E. On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
- F. With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiaries, and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
- G. With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
- H. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
 - i) The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements;
 - ii) The Group has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiaries.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF PNB FINANCE AND INDUSTRIES LIMITED

(Referred to in paragraph (F) under ‘Report on other Legal and Regulatory Requirements’ of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 (“THE ACT”)

In conjunction with our audit of the consolidated financial statements of PNB FINANCE AND INDUSTRIES LIMITED (the “Holding Company”) & its subsidiaries (the holding company and its subsidiaries together referred to as “the Group”) as at and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of the Holding Company and considered the audit reports of its subsidiaries been audited by us covered under the Act, as at that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Holding Company’s and its subsidiaries management are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS’ RESPONSIBILITY

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Act, to the extent

applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its subsidiaries, have in all material respects, an adequate internal financial

controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on “the internal control over financial reporting criteria established by the Holding Company and its subsidiaries considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India”

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

Corporate Overview

PNB Finance and Industries Limited ('the company') is a public limited company domiciled and incorporated in India under the provisions of Indian Companies Act. The equity shares of the Company is listed with The Calcutta Stock Exchange Ltd. The Company is registered with the RBI as a Non-Banking Financial Institution (non-deposit accepting/non-deposit taking).

Note- 1: Basis of preparation, basis of consolidation, and summary of material accounting policies of consolidated financial statements

The Consolidated Financial Statements comprise of financial statements of PNB Finance and Industries Limited ('the Company')/ 'the Parent Company') and its wholly owned subsidiaries (hereinafter collectively referred to as the "Group") for the year ended March 31, 2026.

The Consolidated Financial Statements include financial statements of the subsidiaries of PNB Finance and Industries Limited ('the Company') consolidated in accordance with Indian Accounting Standards 110 'Consolidated Financial Statements'.

The Subsidiaries which are considered and included in the consolidation along with Company's holdings are given below:			
S. No.	Name of the company	Ownership in % either directly or through subsidiary at the end of the year	
		2025-26	2024-25
1.	Subsidiary (Indian) Punjab Mercantile and Traders Ltd.	100%	100%
2.	Esoterica Services Ltd	100%	100%

1.1 Basis of Preparation:

The Consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 (the Act) read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and disclosures are made in accordance with the requirement of Division III of Schedule III of the Act and other relevant provisions of the Act to the extent applicable.

The consolidated financial statements have been prepared on a historical cost basis, except for the certain financial assets and financial liabilities that are measured and carried at fair value.

The consolidated financial statements are approved by the Board of Directors on May 26, 2026.

1.2 Basis of Consolidation

- (i) The consolidated financial statements incorporate the financial statements of the parent company and its subsidiaries. The parent company together with its subsidiaries constitutes the Group. For this purpose, an entity which is, directly or indirectly, controlled by the parent company is treated as subsidiary.

Control is achieved when the Group directly or indirectly:

- has power over the investee.
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

- (ii) The Consolidated financial statements of the Group combine financial statements of parent company and its subsidiaries line by line basis by adding together the like items of assets, liabilities, income and expenses.

- (iii) All intragroup assets and liabilities, equity, income, expenses, unrealised profits/losses and cash flows relating to transactions between the entities of the Group are eliminated on consolidation.

- (iv) The financial statements of all the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the parent company.

(v) The consolidated financial statements are prepared using uniform accounting policies as the company's standalone financial statements, however where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies in line with the Group's accounting policies.

(vi) Profit or loss, other comprehensive income and total comprehensive income of the subsidiaries are attributed to the owners of the parent company and to the non-controlling interests (NCI) in their respective holdings and have been shown separately in the consolidated financial statements.

Non-controlling interest represents that part of the profit or Loss, other comprehensive income and total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the parent company.

The subsidiaries considered in the consolidated financial statements are wholly owned by parent company, thus profit or loss, other comprehensive income and total comprehensive income of these subsidiaries are wholly attributed to the owners of the parent company in the financial statements.

(vii) Investments other than Investment in subsidiaries have been accounted for as per Indian Accounting Standard (Ind AS) 109 "Financial Instruments".

1.3 Other Material Accounting Policies

Other material accounting policies followed by the Group are exactly similar to the material accounting policies of the parent company i.e. PNB Finance and Industries Limited; and hence have not been reproduced here.

Refer note 1 [from Note 1.3] of the Standalone financial statements of PNB Finance and Industries Limited for the year ended March 31, 2026 for details with respect to summary of material accounting policies.

These accounting policies have been consistently applied to all the years presented, unless otherwise stated.

32. FAIR VALUE MEASUREMENTS

The following methods and assumptions are used to estimate the fair value :

- The fair value of quoted equity shares is derived from quoted market prices in active markets.
- The fair value of unquoted equity shares is derived as per level 3 techniques, in case observable market data is not available.
- The fair value of mutual funds is derived from the available declared /quoted NAV of units.
- Assets held for collection of contractual cash flow where cash flows represent solely payment of principle and interest like bonds/ debentures /corporate deposit are measured at amortised cost. interest income from these financial assets is calculated using the effective interest rate method.

The management has assessed that cash and cash equivalents, other receivables (financial assets) and trade / other payables are approximate at their carrying amounts largely due to the short term maturities of these instruments.

Financial assets and liabilities

The carrying value and fair value of financial instruments by categories of the group as at March 31, 2026 are as follows:

Fair value estimation

For financial instruments measured at fair value in the consolidated balance sheet, a three level fair value hierarchy is used that reflects the significance of inputs used in the measurements. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements).

For financial assets which are carried at fair value, the classification of fair value calculations by category of the group in the consolidated balance sheet is summarised below:

(₹ in lakh)

There are no changes in classification and no movements between the fair value hierarchy classifications of financial assets of group during the years under report.

33. FINANCIAL RISK MANAGEMENT

The financial assets at group level are investment in debt securities (bonds, debentures, corporate deposits, debt based mutual funds, etc.) cash and cash equivalents, bank deposits other than cash and cash equivalents, Trade and other receivables & financial liabilities are trade/other payables and other financial liabilities.

The activities at group level, expose to financial risk i.e. liquidity risk, market risk, credit risk etc. The management of respective entities in the group provide guiding principles for overall risk management, as well as principle for investment of available funds including review of such policies for managing each of applicable type of financial risks, which are summarised as below :

(a) Liquidity risk

The group's principal source of liquidity are "Cash and Cash equivalents" and cash in flow that are generated from income from investments & from Bank Fixed deposits. Liquidity risk is defined as a risk that the company will not be able to settle or meet its obligations on time.

Liquidity risk management implies maintenance of sufficient cash to meet the obligations as and when due. The group manages its liquidity risk by ensuring as far as possible that it will have sufficient liquidity to meet its short term and long term liabilities as and when due. The surplus fund at group level has also invested in fixed income securities /instruments of similar profile thereby ensuring availability of liquidity as and when required. Anticipated future cash flows are expected to be sufficient to meet the liquidity requirement at group level and accordingly, no liquidity risk is perceived.

The following is the contractual maturities of the financial liabilities:

(₹ in lakh)

Particulars	As at March 31, 2026	As at March 31, 2025
<u>Non-derivative liabilities</u>		
Within 12 month	3.58	16.37
More than 12 months	-	-
Total Carrying amount (at Amorisred Cost)	3.58	16.37

(b) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk generally comprises three types of risk: interest rate risk, currency risk and price risk.

(i) Foreign currency risk

The group has neither payables & receivables in foreign currency, not holding foreign assets and also not entered into transactions in the foreign currency during the year under report, therefore the activities at group level are not exposed to foreign exchange risk.

(ii) Interest rate risk

The interest rate risk exposure is mainly from changes in fixed and floating interest rates. The group is not exposed to Interest rate risk, as the group has no borrowing at the reporting date. The group's investment in Debt securities (Bonds, Debentures, Deposits etc.) are not exposed to interest rate risk.

(iii) Price risk

The group is exposed to price risk arising mainly from investment measured at fair value through OCI (FVTOCI) being equity shares (quoted) and debt & equity mutual funds. The group's exposure to debt based mutual funds falls in very low risk category due to investments are in high rated schemes. To optimise price risk, policy of diversification has been followed in case of debt based MF portfolio at group level. As regards the group's investment in unquoted equity shares, which are long term in nature and fair valuation of these investments are largely depend on performance of these investee companies and hence the price risk emanating from such investments is minimal of the respective entities of group.

(c) Credit risk

In case of the group's investment portfolio, credit risk may arise from bank balances (including fixed deposits) and investment in debt securities like bonds, debentures, corporate deposits and debt based mutual funds.

To manage credit risk on these financial assets including trade receivables in case one of subsidiary in the group, the respective entities of the group has an investment policy which allows them to invest only in high rated schemes/ papers/ bonds /NCD /corporate deposits etc. considering the safety of investment first along with lower risk and reasonable returns. At group level, credit worthiness of counterparty has been tracked and the rating of investments have been closely reviewed and as far as possible the immediate suitable remedial actions has been taken.
